

Today our grade sevens said an emotional farewell to the students and staff and are now off to High School. The cycle of change continues once again, not only for our students, but for some of our staff. In what is now officially summer holidays as far as the school is concerned, I wish to thank you all for your support for the school and your child's education. We have appreciated so much the degree to which our parents and staff have worked together for the benefit of the children. Just as the grade sevens shared in their farewell speeches, I too am sentimental about my fond memories here this year and will take them with me and relish them over the summer. Like our grade seven graduates, us adults have learned a lot as well from our experience here and it is with anticipation and excitement that I look forward to next year. In closing, I hope you all have a restful summer and come back refreshed with all sorts of stories to share. Enjoy pictures from the Farewell Assembly below.

On behalf of the staff, thank you all for a great year!

Principal
