

Report cards are going home in two weeks on December 15th.

What do they mean in the big scheme of school?

What can parents do with the feedback?

How important is it?

The format of Reports Cards are going to change in the near future.

How do you feel reports cards can be improved?

Mr. Juhasz will facilitate this meeting ‘for’ parents, to enhance connections with home and school, as we seek to understand our evolving school system and what we are trying to accomplish with our report cards.

PARENTS, THE PRINCIPAL AND PEDAGOGY

TUESDAY DEC 5TH 9:00AM - ROOM 20

TOPIC: REPORT CARDS, TEACHER ASSESSMENT AND THE FUTURE OF ASSESSMENT AND REPORTING.

REFRESHMENTS WILL BE SERVED.

MANDARIN TRANSLATION WILL BE AVAILABLE.

Good Fun at the Staff Verses Students Volleyball Game Today

It was a pack and very loud gym today as we hosted our staff vs Students Volleyball game. It was amazing how much the grades 7s improved over the course of the season (thanks to coaches Mr. Badyal and Mr. Stokes), however it wasn't enough to match the staff juggernaut of skill, fitness, power, sportsmanship and humility. The gym was full of excited students cheering on the game, and the grade 6s in particular were taking good notes and starting their plans for success in next year's grade 7s vs the staff game. Thank you to those students who brought non-perishable food items for the Richmond Foodbank.

My “Tween and Me” Parent Meetings: Friday at 9:00am

Our Tween and Me meetings, hosted by Ping Chu our awesome Settlement Worker, have been happening every Friday in Room 20. Next Friday's session at 9:00am will be about Peer Relations and Social Media. This is so popular,

that parents from other schools have learned about it and are joining in as well. Mr. Juhasz also joins in and answers questions as well. Mandarin Translation will be available. Hope to see you there.

Please connect with Ping if you have questions. 778-835-1250
