

Track and Field

If your child is in grades three through seven, then they will have come home today with a Track and Field permission form. It outlines what events they will be participating in and offers a rough outline of the schedule of events.

Most noteworthy this year is that we will be relying on parent drivers to and from the meet. Typically, we usually take buses, but they were already booked by the time the Track and Field date was announced. Please read the detailed notice that came home today and indicate if your child has permission to attend, and if you are able to assist with the driving.

For the Primary-aged Thompson Tigers who are not attending the Track Meet at Minoru Park, there will be a mini-meet here at Thompson. Details to follow.

Care Project by the Marvellous Minds

As part of their ongoing theme of Growth Mindset (using the habits of mind) the three K/1 classes have been getting together on Fridays to broaden their Marvellous Minds. From these adventures, the K/1 children from Mrs. Rose, Mrs. Ginet, and Mrs. TV's classes have started a Care Project. The vision of this Care Project included reaching out to local neighbours with hand-made cookies and post-cards with messages of care and kindness. Their hope was to build connections between our school community and neighbours. They also hoped to encourage more face-to-face interactions with one another, remembering the importance of the human connection. Already, many members of our Thompson community have come back to the school to show their appreciation and thank the students for their kindness. Other members of the community have sent in 'Thank You' cards returning the kind gesture.

What are the next steps for this Care Project? They were inspired by the results from the initial project. Their next inquiry will be to investigate "How can we continue to strengthen connections with our local community of neighbours?"

Thompson has Talent

Our annual talent show is around the corner. Students have been invited to pick up application forms from the front office to sign themselves up.

The Talent Show will be on **June 14th at 1:15pm**

Applications are due on May 31st, and an audition schedule will be sent out on June 1st to let participants know when their audition is.

Garden Club Update:

Thanks for all the hard work of the members in Garden Club- our edible and pollinating garden is in full bloom- lettuce, radishes, strawberries, flowers, and herbs.

We are currently looking for parent volunteers to help us water and weed our garden for 1 hour on the weekends in May and June. Please contact Mrs. TV if you would like to help us in the garden by emailing DVargasCruz@sd38.bc.ca or contact her at school by phone.

**Thompson Parent Advisory Council (PAC)
AGM Agenda**

May 23, 2018 – 9:00am – Multi-Purpose Room
