SAFETY IS OUR PRIORITY: **Parking Lot Reminders**

- Students and families are to ALWAYS walk on the outside of the parking lot and using the designated crosswalks
- Students should NEVER exit the car unless it is parked in a designated parking spot or in the drop off line, along the sidewalk curb
- Students and families should NEVER walk through the parking lot
- For ease and flow - we ask that you refer to the 'Parking Lot Info' below

BY THE NUMBERS:

- We have 20 designated parking spots for parents - ideally our younger students
 - Having designated parent parking is rare and not typical at most elementary schools
- With approximately 240 students; we encourage walking to school, if possible

PARKING LOT INFO

Below is some helpful information about our parking lot, and ways to decrease parking lot congestion. Please ensure that you are following the parking lot guidelines, and consider a safe 'by-law' approved drop-off spot for your child on the street. By-law officers may ticket you if parked illegally. If we can avoid driving into our parking lot (especially with older children) that would help to decrease traffic flow. The environment thanks you for not leaving your car running while you wait.
