3. Caregiver Information Sessions

- Join us for a series of virtual Caregiver Information Sessions designed specifically for parents and caregivers of children aged 0-5. These sessions aim to provide valuable insights, practical tips, and supportive resources to help you navigate the early years of parenting in the areas of supporting literacy, numeracy, the importance of play and in preparing for kindergarten. Our district's Early Learning Program is committed to supporting you in creating nurturing and enriching environments for your child's growth and development. The first virtual session, Early Literacy at Home, is on October 17, 2024 at 6 p.m.
