4. Keeping our Community Healthy

- Cold and Flu season - we are noticing an increase of illness at school. In an effort to keep our students and staff healthy, please keep your children at home if they are experiencing symptoms of illness. If they have a fever or have been vomiting, please keep them home at least 24 hours or more until they are symptom free. Thank you for helping us keep our community healthy.

5. The Student and Family Affordability Fund

- Please reach out to Mr. Vines if you are in need of assistance. As always, all requests will be treated with dignity and your privacy will be respected. We want to work with our families to ensure that our students, your children, have everything they need in order to be successful at school.
- Please do not hesitate to reach out if we can help.
